

We are a family owned business established in PERTH, WESTERN AUSTRALIA in February 2001 and in this time we have proven ourselves to be professional, reliable and efficient in the needs of our clients Hot Shots.

As our business name suggests, we understand the urgency of your freight and the need to have it there as quickly as possible. This has been repeatedly proven doing mining, rail, oil and gas, and construction hotshots, also after hours emergency metro pick-ups and deliveries.

At Urgent Mine and Rail Freight our main goal is to deliver your product / hot shot with a high quality of service, friendly demeanour and securely intact as this is our livelihood and reputation on the line.

We constantly strive to exceed all expectations with drive and determination. Our delivery service ranges from:

- Jiffy bags and satchels
- Small cartons/packages
- Traction and electric motors
- Electric rotors
- Locomotive wheel sets and rolling stock parts
- Packaged dangerous goods
- Earthmoving parts
- Palleted mixed goods
- Hotshots
- Urgent military loads
- Attending train derailments
- Emergency medical equipment and supplies
- Drilling rig core sample runs

Our need to get your product delivered on time is mirrored by us getting it there as quickly and as safely as possible. We believe in doing the job right and doing it properly the first time every time.
